Public Comment. Karl Jennrich thanked the Committee for attending today. He explained that the reason the meeting is being held is to formally approve the resolution to forward to the County Board of Supervisors. He also informed the Committee that he did send the final draft back to North Central Wisconsin Regional Planning Commission to format the complete Plan with the maps. It is now a single document and can be found on-line at their site.

Mr. Baier stated that this has been a long process and it is a good thing that all 20 Towns and the City of Rhinelanders all have Plans.

Mr. Fried stated that he feels the names of the former Committee members should be included in the Plan index.

Motion by Tom Rudolph second by Bob Metropoulos to forward Ordinance Amendment #8-2013, Oneida County Comprehensive Plan, to the Oneida County Board of Supervisors. With all members present voting "aye" the motion carried.

Approve future meeting dates: August 20, 2013 – County Board Public Hearing

Public Comments: Mr. Pelletier stated that he knows there will still be issues regarding the Comprehensive Plan but since he started on the Committee there has been less slack regarding the Plan.
